Featured Farmers Announced for 2019 Indiana State Fair *Corteva Agriscience Connects Consumers with Farmers*

March 18, 2019, INDIANAPOLIS, IN — The Indiana State Fair and Corteva Agriscience™, Agriculture Division of DowDuPont™, are proud to announce the Featured Farmers being honored at this year's Indiana State Fair. In its fifth year, this program celebrates and helps put a face on Hoosier agriculture by connecting consumers with farmers. The 17 farm operations represent all regions of the state, showcasing different agricultural products throughout the 17-day Fair, August 2-18.

“Our Featured Farmers program introduces fairgoers to Hoosier farmers each day during the Fair with opportunities to learn more about where their food comes from,” said Cindy Hoye, executive director, Indiana State Fair Commission. “These farmers have incredible stories to tell. On average, an American farmer feeds more than 165 people – that’s up from 25 people in the 1960s. American agriculture is doing more and doing it better.”

Visitors to the Indiana State Fair can attend a live chat at 2:30 p.m. in the Glass Barn with a Featured Farmer every day of the Fair, in addition to many other opportunities to talk with that day's Featured Farm family and learn about their operation. To learn more about the farmers, visit IndianaStateFair.com, and follow along on social media @IndyStateFair.

“At Corteva Agriscience, we are committed to enhancing lives and helping farmers succeed. We are pleased for the fifth year to be the sponsor of the Featured Farmer program at the Indiana State Fair which is a perfect place for fairgoers who are consumers to meet farmers who spend their days working to feed all of us,” said Ben Kaehler, Commercial Unit Leader, Eastern Corn Belt, Corteva Agriscience.

About the Indiana State Fair

The Indiana State Fair is the state's largest multi-day event celebrating Hoosiers' spirit and agricultural heritage. These 17 days celebrate Indiana agriculture and promote it to hundreds of thousands of people across Indiana, and beyond. Nationally recognized for offering great entertainment, showcasing youth, interactive agriculture education programs, premier facilities and a variety of unique, fun foods, the Indiana State Fair has been an annual attraction for generations of Hoosiers since 1852. The 2019 Indiana State Fair will be held August 2-18. To pay tribute to the heroism of everyday Hoosiers, this year's Indiana State Fair theme is HEROES IN THE HEARTLAND presented by Indiana Donor Network. Throughout the 17-day event, the Indiana State Fair will salute Hoosier farmers, first responders, educators, members of the Armed Forces, and many others who keep us safe and make us proud. Additionally, each day during the fair, Super Heroes featured in box office movies will be highlighted. For more information, visit www.indianastatefair.com.
