

Camping - FAQ

Q: Do I need a reservation?

A: Reservations are required during the Indiana State Fair; all other times are on a first come, first serve basis. If another highly attended event requires reservations, it will be posted on our website.

Q: How do I check-in?

A: Enter Gate 6 from Fall Creek Parkway, drive straight ahead to the RV Campground, pick a spot, and call Security for hookup and payment. On-Site Security is available for check-in 24 hours a day, 7 days a week and will fill out registration and collect fees.

Q: Is there Wi-Fi at the campgrounds?

A: Wi-Fi is available. Connect to ERMCO_ISF_Wireless, it will then bring up a portal where you can purchase wireless packages. Q: Is the site full hook-up?

A: Yes, most sites are full hook-up with 30 & 50 amp services, along with water and sewer. There are electric only as well as primitive camping sites. Water will be turned off from October – March due to freezing temperatures.
